**Amendment to Drawings:**

The attached drawing sheet includes a change to Figure 1, namely, the addition of the legend "Prior Art". This sheet replaces the original sheet including Figure 1.

Attachment: Replacement Sheet

### REMARKS

Reconsideration of the application is respectfully requested.

Claims 1 and 3-6 are in the application. Claim 2 has been incorporated into claim 1. Accordingly, claim 2 has been cancelled and claim 3 has been amended to depend from claim 1.

In the Official Action, the Examiner rejected Figure 1 as failing to include the legend "Prior Art". Attached hereto is a replacement sheet which includes Figure 1 with a "Prior Art" legend. It is respectfully submitted that the drawings, as amended, are in accord with standard U.S. practice.

The Examiner rejected claims 5 and 6 as having improper dependency from claim 1, rather than claim 2. With claim 2 having been incorporated into claim 1, it is respectfully submitted that the dependency of claims 5 and 6 is now proper.

Claims 1, 4 and 6 were rejected under 35 U.S.C. §103(a) as being allegedly unpatentable over Prior Art Figure 1 in view of McGinn et al. (U.S. Patent No. 5,605,201). The Examiner also noted that claims 2, 3 and 5 include allowable subject matter. As indicated above, claim 2 has been incorporated into claim 1. It is respectfully submitted that the rejection has been overcome and that claim 1 is in patentable form, along with dependent claims 3-6.
